10 Things to Know about AccessMedicine

www.AccessMedicine.com

#1 Leading Medical Literatures with Regular Updates

The screenshot displays the McGraw-Hill Access Medicine website interface. At the top left is the 'ACCESS Medicine' logo, and at the top right is the 'McGraw-Hill Medical' logo. A navigation bar includes links for Home, Books (selected), Quick Reference, Drugs, Multimedia, Cases, Self-Assessment, Custom Curriculum, and Patient Ed. A search bar is located on the right with 'Search' and 'Advanced Search' buttons. A dropdown menu for 'Books' is open, showing a list of 140+ leading medical reference books. The books listed include Adams and Victor Principles of Neurology, Basic Radiology, Hurst's The Heart, Harrison's Principles of Internal Medicine, LANGE, and TAVICE. Below the book list is an 'Updates' section with a dropdown menu set to 'All resources'. The updates list includes:

- 9/1/2017 12:28:36 PM | Harrison's Online Updates
GENERAL UPDATE
Recrudescence of Poststroke Deficits Investigated
Andrew Josephson, MD
- 9/1/2017 12:28:36 PM | Harrison's Online Updates
GENERAL UPDATE
Embohc Protection Device Ineffective for Stroke Prevention in Aortic Valve Replacement Surgery

#3 Extensive Multimedia Content

The screenshot displays the ACCESS Medicine website. At the top left is the 'ACCESS Medicine' logo. Below it is a navigation menu with links for Home, Readings, Quick Reference, Drugs, **Multimedia** (highlighted in a dark blue box), Cases, Self-Assessment, Custom Curriculum, and Patient Ed. A search bar is located below the navigation menu. On the left side, there are 'Read' and 'Learn' sections. The 'Read' section features book covers for 'HARRISON'S PRINCIPLES OF INTERNAL MEDICINE' (18th Edition) and 'Adams and Victor's Principles of Neurology'. The 'Learn' section includes a 'Watch' button and a video thumbnail titled 'Gynecologic Examination with Pap Smear'. On the right side, there is a 'Multimedia' section with a 'Play' button and a video thumbnail titled 'Endotracheal Intubation'. A large, semi-transparent grey box is overlaid on the right side of the page, containing a list of multimedia content categories.

- 700+ Videos by Category and by System
- 50,000+ Images
- Patient Safety Modules
- Exploring Essential Radiology
- Female Reproductive System
- Pharmacology Lectures

This block shows two multimedia content cards. The first card is for 'Endotracheal Intubation', featuring a video thumbnail of a medical procedure, a duration of 16 mins, 0 secs, and author(s) Charles A. Morris, Emily Nelson Maher. The second card is for 'Fine Needle Aspiration of Breast Cyst', featuring a video thumbnail of a medical procedure, a duration of 9 mins, 58 secs, and author(s) Christina Wetz, MD, Assistant Professor, Surgical Oncology, Mount Sinai Medical Center. Both cards include a 'View in context' link and a 'Play' button.

#4 Student Centred and Problem-Based Learning Approach

The screenshot displays the ACCESS Medicine website interface. At the top left is the 'ACCESS Medicine' logo, and at the top right is the 'McGraw-Hill Medical' logo. A navigation menu includes 'Home', 'Readings', 'Quick Reference', 'Drugs', 'Multimedia', 'Cases', 'Self-Assessment', 'Custom Curriculum', and 'Patient Ed'. A search bar is located below the navigation menu. A 'Cases' dropdown menu is open, showing options like 'Case Files for Students', 'Case Series', and 'Standard Review'. A 'Self-Assessment' dropdown menu is also open, showing 'Cases' and 'Cases®: Internal Medicine'. A question overlay is present in the foreground, containing the following text:

Question 1 of 3

Choose the **one best** response to this question.

Which one of the following is a recommended therapy for herpes simplex virus genital infection?

- A. Acyclovir
- B. Attenuated live virus vaccine
- C. Herpes immune globulin
- D. Interferon- α
- E. Ribavirin

Submit

#5 Student Centred and Problem-Based Learning Approach

The screenshot displays the McGraw-Hill AccessMedicine website interface. At the top left is the 'ACCESS Medicine' logo, and at the top right is the 'McGraw-Hill Medical' logo. A navigation bar includes links for Home, Readings, Quick Reference, **Drugs**, Multimedia, Cases, Self-Assessment, Custom Curriculum, and Patient Ed. Below the navigation bar is a search box labeled 'Search AccessMedicine' and an 'Advanced Search' button. A central 'Drugs' menu is open, listing: All Drugs, Generics, Drug Classes, International Trade Names, and Patient Handouts. To the right of this menu is a diagram showing two pill bottles with 'Rx' labels, with arrows pointing to two images of pills (one red and white capsule, one white and yellow tablet). Below the menu are book covers for 'HARRISON'S PRINCIPLES OF INTERNAL MEDICINE' and 'Principles of Neurology'. At the bottom, there are sections for 'Learn', 'Watch' (with a 'Multimedia' dropdown), and 'Apply' (with a 'CLINICAL ACCESS' banner). The 'Watch' section features a video thumbnail titled 'Gynecologic Examination with Pap Smear'.

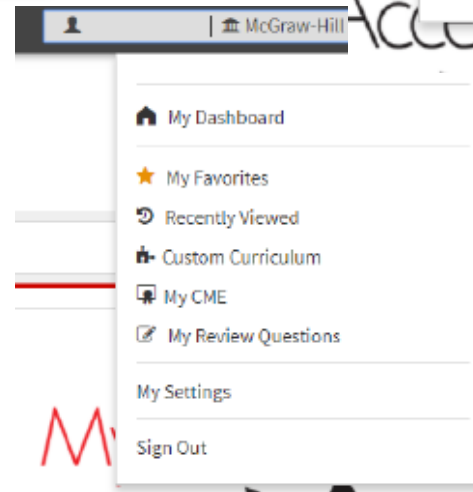

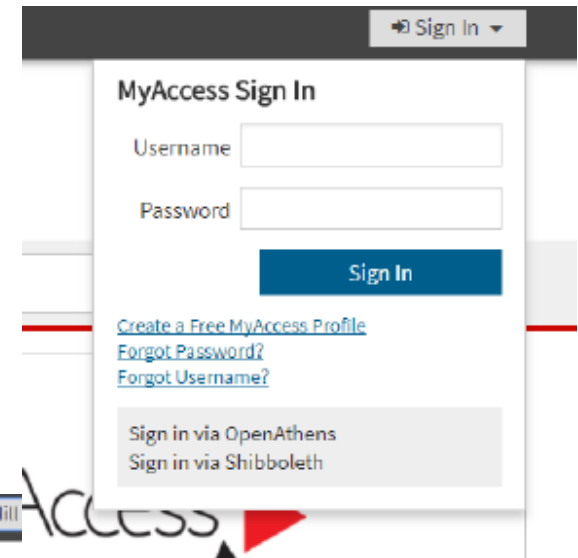

#6 Powerful Point of care Tools

The screenshot displays the ACCESS Medicine website interface. At the top left is the ACCESS Medicine logo, and at the top right is the McGraw-Hill Medical logo. A navigation bar contains the following items: Home, Reading, Quick Reference (highlighted), Drugs, Multimedia, Cases, Self-Assessment, Custom Curriculum, and Patient Ed. Below the navigation bar is a search bar with the text "Search AccessMed" and a "Search" button, along with a link to "Advanced Search". On the left side, there is a "Read" section with a list of resources: QMDT, Guidelines, DDx, Diagnostic Tests, Clinical Prep, 2 Minute Medicine®, and Calculators. Below this list is a thumbnail for "HARRISON'S PRINCIPLES OF INTERNAL MEDICINE, 18th Edition". The main content area features a grid of 15 medical specialties, each with a representative image and a label: Cardiovascular, Dermatology, Emergency Medicine, Endocrinology, Gastrointestinal, Gynecology, Hematology/Oncology, Infectious Disease, Musculoskeletal, Neurology, Obstetrics, Pediatrics, Psychiatry, Pulmonary, and Renal/Genitourinary. On the right side of the grid, there are two book covers: "THE HEART" and "Goodman & Gilman's The Pharmacological Basis of THERAPEUTICS". At the bottom right, there is a "poly" logo and the text "CLINICAL ACCESS".

#7 Personalized AccessMedicine

Registering for a MyAccess personal account allows users to:

- Bookmark content pages
- Save and download images
- Customize patient education handouts
- Re-run recent searches
- Access the free mobile AccessMedicine app

#8 Flexible Accessibility – Remote Access

#9 Offline AccessMedicine APP

#10 High Quality MARC Record & Full Library Discoverability

The screenshot shows the McGraw-Hill Medical website interface. At the top, there is a navigation bar with the McGraw-Hill Medical logo and a search bar. Below the navigation bar, the main content area features a large heading "MARC Records" and a paragraph explaining that McGraw-Hill Medical offers MARC records for its Access and Collection sites, updated monthly. Below this, there is a list of links to Google Drive folders for various medical specialties, with "AccessMedicine" highlighted by a dashed box.
