Language	Italian

Subject teacher	Name Surname	Mail address	SSD
	Paolo Fioretti	paolo.fioretti@uniba.it	M-STO/09

ECTS credits details			
Basic teaching activities		M-STO/09	9

Class schedule	
Period	I semester
Year	I
Type of class	Lecture Workshops Visits to libraries and archives

Time management	
Hours	288
In-class study hours	63
Out-of-class study hours	225

Academic calendar	
Class begins	28 September 2020
Class ends	11 December 2020

Syllabus	
Prerequisites/requirements	
Expected learning outcomes (according to Dublin Descriptors) (it is recommended that they are congruent with the learning outcomes contained in A4a, A4b, A4c tables of the SUA-CdS)	<p><i>Knowledge and understanding</i> The student will have to know the main notions about the history of Greek writing from the antiquity to the fifteenth century, in relation both to the techniques and ways of executing the graphic signs and to the social, cultural and historical factors.</p> <p><i>Applying knowledge and understanding</i> The student will acquire effective analytical tools and research methodologies useful to understand the history of Greek civilization through the analysis of manuscript testimonies of whatever genre and nature they are. He will also be able to make significant comparisons with Latin civilization.</p> <p><i>Making informed judgements and choices</i> The student will need to mature the ability to read and interpret Greek handwritten sources critically and independently, applying the methodologies and analytical tools acquired.</p>

	<p><i>Communicating knowledge and understanding</i> The student must be able to master the specific language of the paleographic discipline, learning to exploit the results of the analysis in a formally clear, rationally coherent and methodologically well-founded discourse.</p> <p><i>Capacities to continue learning</i> The student will need to develop the ability to: investigate Greek manuscript sources; Properly analyze a writing; Place study objects in the broader historical, cultural, social context that produced them.</p>
Contents	<ul style="list-style-type: none"> • 1) terminology and methodology of paleographic analysis; • 2) development of Greek writing from antiquity to the 15th century; • 3) Greek books and writings in southern Italy; • 4) introduction to the codicology.
Course program	
Bibliography	<p><i>La scrittura greca dall'antichità all'epoca della stampa. Una introduzione</i>, a cura di E. Crisci e P. Degni, Roma, Carocci Editore, 2011.</p> <p>G. Cavallo, <i>Scrivere e leggere nella città antica</i>, Roma, Carocci Editore, 2019: chapters about Atene, Alessandria, Costantinopoli.</p>
Notes	
Teaching methods	The course will be divided into lectures, seminars and reading exercises on facsimiles of ancient and medieval graphic testimonies; There are also working moments of 'laboratory'
Assessment methods (indicate at least the type written, oral, other)	The final exam for the acquisition of CFU is an oral check of the training objectives of the course. In particular, the topics covered in the lessons and the texts mentioned in the program will be examined, as well as the reading and the comments of some of the facsimiles analyzed during the course.
Evaluation criteria (Explain for each expected learning outcome what a student has to know, or is able to do, and how many levels of achievement there are.	The student must demonstrate that he has satisfactorily acquired the theoretical knowledge of the topics dealt with and the ability to apply paleography tools and techniques; It must also be able to communicate clearly and appropriately the content of the discipline.
