ECTS credits details	12 cfu		
Basic teaching activities			

Class schedule	
Period	II semester
Year	2021-2022
Type of class	Lecture- workshops

Time management	
Hours	84
In-class study hours	84
Out-of-class study hours	

Academic calendar	
Class begins	February 21, 2022
Class ends	May 13, 2022

Syllabus	
Prerequisites/requirements	
Expected learning outcomes (according to Dublin Descriptors)	<p>Knowledge and understanding The course of Medieval Latin Literature aims to provide the student with exhaustive and critical knowledge of the Latin texts of the medieval Europe, from sixth to the fourteenth cent. The texts and the authors will be studied in the historical, political, geographical and cultural context of the each medieval age period, in connection with other human sciences. The goal is to acquire advanced skills through rigorous analysis of written sources from the point of view of literary history, lexical and documentary, through the study of transmission, circulation and preservation of Latin medieval texts.</p> <p>Applying knowledge and understanding The student will have to demonstrate critical skill in reading, understanding and interpreting medieval Latin texts and related historical-literary issues; ability to identify thematic links between divers types of literary genres in their historical context; ability to critically apply the acquired knowledge through appropriate research methods.</p> <p>Making informed judgements and choices</p>

	<p>The critical approach to the reading of medieval Latin texts and the acquisition of methodological skills develop the autonomy of the student's judgment. He must be able to elaborate complex information and interdisciplinary links (historical-cultural phenomena, paleography, art, philosophy, science in the Middle Ages.</p> <p>Communicating knowledge and understanding Lectures and seminars, active participation in texts or documents discussion and interpretation develop student's ability to clearly expose his critical analysis. Communicative ability prepares for the teaching or for Archivist-Librarian profession.</p> <p>Capacities to continue learning Learning skill, critical methodologies acquired, and autonomy of judgment, personal reflection are stimulated through the consultation of specialized bibliographical repertories, vocabulary and dictionaries of the medieval Latin language, specialistics journal, electronic resources.</p>
