|----------------------------|---|
| Syllabus | |
| Prerequisites/requirements | Private law and constitutional law |
| Expected learning outcomes | <p><i>Knowledge and understanding on:</i> The student must acquire the ability to grasp the relationship between law, culture and religion in a multicultural society, starting from fundamental principal, such as secularism, religious freedom and equality.</p> <p><i>Applying knowledge and understanding on:</i> The student must gradually acquire the ability to interpret legal norms by applying intercultural methodology, in order to grasp the ability of juridical norms to become an instrument of social cohesion.</p> <p><i>Making informed judgments and choices:</i> The student must demonstrade the ability to translate cultural and religion diversity within the legal system, understanding the continuity of meanings between norms and other culture and religion.</p> |

| | |
|---------------------|---|
| | <p><i>Communicating knowledge and understanding</i></p> <p>The student must acquire the ability to communicate the knowledge clearly and to use the intercultural method applied to legal science.</p> <p><i>Capacities to continue learning</i></p> <p>The student will have to understand and interpret the principles of secularism, freedom and religion equality critically and with an intercultural method.</p> |
| Contents | <p>The ecclesiastical law course is aimed at learning knowledge relating to the relationship between law and religion, in particular at understanding the influence that religion exerts on legal systems, both as a fideistic and anthropological phenomenon. In particular, the course will focus on intercultural methodology for the study of the problems posed by multireligiousness and multiculturalism.</p> <p>The topics of the course will focus on the analysis of the principles of religious freedom, religious equality and secularism in its first part. The second part will be dedicated to the study of some classical institutes of ecclesiastical law: Marriage and ecclesiastical entities and in general the patrimonial aspects linked to the religious phenomenon.</p> |
| Course program | |
