Expected learning outcomes (according to Dublin Descriptors) (it is recommended that they are congruent with the learning outcomes contained in A4a, A4b,	At the end of the module: <ul style="list-style-type: none"> <li>• <i>Knowledge and comprehension skills</i> Students shall demonstrate adequate knowledge of the most relevant moments of the history of Italian cinema and its economic, linguistic, and socio-cultural specificities.</li> </ul>

A4c tables of the SUA-CdS)	<ul style="list-style-type: none"> <li>• <i>Knowledge and applied comprehension skills</i> Students shall be able to identify the main authors, genres, styles and movements of Italian cinema.</li> <li>• <i>Autonomous assessment</i> Students shall be able to apply the analysis methodologies discussed in class in order to autonomously assess the features and specificities of the history of Italian cinema.</li> <li>• <i>Communication skills</i> Students shall be able to describe the main questions concerning the history of Italian cinema, in the right terms and with the proper argumentation, in oral and written form.</li> <li>• <i>Learning skills</i> Students shall develop the necessary tools in order to broaden their education and expand their knowledge of the history of Italian cinema independently.</li> </ul>
Contents	<p>The module will focus on the study of the linguistic forms, modes of representation, industrial structures, and institutional practices that have characterized the development of Italian cinema during the twentieth century. Specific attention will be dedicated to the following themes: Italian silent cinema, its divas, strongmen, and “foolsheads”; “white telephone” cinema, between escapism and modernization; 1940s cinema, between propaganda and the relocation to Salò; neorealism and its developments; genres and censorship in the 1950s; 1960s Italian film modernism and the crisis of cinema; 1970s genres; 1980s “new Italian cinema”.</p>
Course program
