Class ends	19th December 2018

Syllabus	
Prerequisites/requirements	The level B2 of Common European Framework of Reference for Languages (CEFR) is the required basis for the French course.
Expected learning outcomes according to Dublin Descriptors (it is recommended that they are congruent with the learning outcomes contained in A4a, A4b, A4c tables of the SUA-CdS)	The main objective of the French language course includes the attainment of a Vantage level in French language oral production through the use of a specific <i>Economics, finance and business</i> terminology. Professor Bocuzzi will focus on the practice comprehension skill of texts about subjects concerning the <i>Economics, finance and business</i> . The articles presented (<i>textbook excerpts, articles, original documents...</i>), will be a moment of reflection about different current events regarding <i>Economics, finance and business</i> in France and in French-speaking countries.
Contents	References about analysis of journal articles of the French economic press: - Analyse d'un article de presse : la pyramide inversée ; - Comment analyser un article de journal ? ; - Quelques traits distinctifs des articles de presse. Translation and linguistic analysis of economic and financial articles from newspapers, on line magazines and French blog.
