E-mail	enricocaludio.schiavone@uniba.it ; avv.schiavone@gmail.com
Telephone	099/7367153
Department and address	Taranto
Virtual headquarters	Microsoft Teams
Tutoring (time and day)	Friday – at 5 to 7 o'clock p.m. – upon request by mail (<i>code number: 1r8d96i</i>)

Syllabus	
Learning Objectives	The course aims to provide with a basic preparation in the field of labour law, with brief remarks to the specific discipline of the maritime work and in the public sector, combining the most important theoretical profiles with more practical aspects, in the prospect of both employability in private and public companies, and further academic studies.
Course prerequisites	Basic notions of law and law sources, acquired by successfully attending Private Law course.
Contents	The international, European, national sources of Labour law. Origins and historical/juridical evolution of Italian labour law. The subordinate work "type". Quasi-subordination and Collaborations. Cooperative work. The employment relationship: tasks, qualifications, categories. Diligence, obedience and loyalty. Place and duration of work. Powers and duties of the employer. Salary. Suspensions of the employment relationship due to causes inherent to the employee. The termination of the relationship. Individual and collective dismissals. Resignation. The guarantees of workers' rights. Waivers and transactions. Labour market regulations: placement, public and private employment services; social safety nets and protection in relocation. Outsourcing and decentralization of production, transfer of undertaking. Subcontracting. Posting of workers. Flexible and atypical work. Certification of contracts. Maritime labour law. Work in the public sector.
Books and bibliography	E. Ghera, A. Garilli, D. Garofalo, <i>Lineamenti di diritto del lavoro</i> , Giappichelli, Torino, 2020. It is also essential to the use of an updated Labour Code
Additional materials	For those attending will be available online supplementary material (including power point presentations).

Work schedule			
Total	Lectures	Workshops (Laboratories, working groups, seminars, field trips)	Out-of-class study hours/ Self-study hours

Hours			
225	72		153
ECTS			
9
