CFU/ETCS			
Es. 6			

Learning Objectives
<i>The student must acquire the ability to understand the complexity of social relations and the role of law in multicultural society. The student must understand the role of methodology of intercultural law and in particular of the semiotic translation applied to meanings that descend from cultures and norms. The student must develop autonomy in the ability to understand regulatory text and jurisprudential decision. The student must demonstrate that he has developed the ability to communicate the knowledge acquired clearly and with the complexity of the multi-cultural society and the role of law. The student must demonstrate a critical approach towards the complex society-</i>
Course prerequisites
