Franco Angeli, Milano;</p> <p>CALAPRICE S. e NUZZACI A. (2017). L'Ascolto nei contesti educativi. L'Infanzia e l'adolescenza tra competenze e diritti. Ed. Pensa Multimedia, Lecce; (solo I parte "Concetti e principi" e II parte "Contesti Educativi Inclusivi")</p> <p>VANNA I. (2009, Ristampa 2018) Quaderno della vita emotiva. Strumenti per il lavoro di cura. Ed. Franco Angeli, Milano;</p>
Notes	According to the students' interests, it will be possible to modify and improve the programme.
Teaching methods	The lessons are all strongly participatory, hinged on key concepts to be built together through shared reflection and debate, also with audio-visual support. The mode of cooperative research in the classroom and in personal study is encouraged.
Assessment methods	Evaluation in itinere and final. The one in itinere will be on the results of the workshop activities, the final one on a questionnaire.
