<b>Notes</b>	
<b>Teaching methods</b>	Lectures and / or distance learning
<b>Assessment methods</b> (indicate at least the type written, oral, other)	Written exam preparatory to oral exam

<p><b>Evaluation criteria</b> (Explain for each expected learning outcome what a student has to know, or is able to do, and how many levels of achievement there are.</p>	<p>The students are required to know the technical languages and the languages for specific sectors, as well as the word combinations and the linguistic structures belonging to these fields. Therefore, they are required to translate specialized texts and official documents from and to the Russian language. They are required to know the proper usage of the lexicon in different formal and informal registers and apply it at a oral level. The required linguistic competences is C1/C2 of the Common Reference Framework for knowledge of languages.</p> <p>The last but not the least, the students will show that they are able to range among different topics and contexts and that they master the language fluently, which will allow them to start their career in translation companies.</p>
