Teaching methods

Classes will be taught along with seminars on specific subject areas, together with workshops, to verify the level of knowledge and understanding of attending and non-attending students.

Assessment methods

The assessment will consist of an oral exam, during which students must demonstrate their ability to understand the Principles of Private Law, together with legal and judicial texts' comprehension.

For students who attend classes, it is possible to arrange intermediate tutoring activities with the instructor to verify their knowledge throughout the course.

Evaluation criteria

Students will be evaluated considering their knowledge of Civil Law topics, their ability to consult legal sources and their language and comprehension skills.
