

## PUBBLICAZIONI RECENTI

### Articoli su riviste scientifiche internazionali

- D'Alessandro A.G., Maiorano G., Ragni M., Casamassima D., Marsico G., Martemucci G. 2013. Effects of age and season of slaughter on meat production of light lambs: Carcass characteristics and meat quality of Leccebreed. Small Ruminant Research (<http://dx.doi.org/10.1016/j.smallrumres.2013.05.006>).
- D'Alessandro A.G., Martemucci G. 2012. Lactation curve and effects of milking regimen on milk yield and quality, and udder health in Martina Franca jennies (*Equus asinus*). Journal of Animal Science 90, 669-681.
- D'Alessandro A.G., G. Maiorano, B. Kowalszyn, P. Loiudice, G. Martemucci. 2012. How the nutritional value and consumer acceptability of suckling lamb meat is affected by the maternal feeding system. Small Ruminant Research 106, 83-91.
- Martemucci G., D'Alessandro A. G. 2012. Fat content, energy value and fatty acid profile of donkey milk during lactation and implications on human nutrition. Lipids in Health & Disease 11, 113-126.
- Vasta V., D'Alessandro A.G., Priolo A., Petrotos K., Martemucci G. 2012. Volatile compounds profile of ewe's milk and meat of their suckling lambs in relation to pasture vs. indoor feeding system. Small Ruminant Research 105, 16-21.
- D'Alessandro A.G., Martemucci G., Casamassima D. 2012. Values on energetic, proteic and hepatic serum profiles in neonatal foals of Martina Franca donkey breed. Macedonian Journal of Animal Science 2 (No. 2), 213–217.
- Simos Y.V., Metsios A., Verginadis I., D' Alessandro A.G., Loiudice P., Jirillo E., Charalampidis P., Kouimanis V., Boulaka A., Martemucci G., Karkabounas S. 2011. Antioxidant and anti-platelet properties of milk from goats, donkeys and cow: an in vitro, ex vivo and in vivo study. International Dairy Journal 21, 901-906.
- D'Alessandro A.G., Martemucci G., Jirillo E., De Leo V. 2011. Major whey proteins in donkey's milk: effect of season and lactation stage. Implications for potential dietary interventions in human diseases. Immunopharmacology and Immunotoxicology 33(2), 259-265.
- Martemucci G., D'Alessandro A.G. 2011. Induction/synchronization of oestrus and ovulation in dairy goats with different short term treatments and fixed time intrauterine or exocervical insemination system. Animal Reproduction Science 126, 187-194.
- Martemucci G., D'Alessandro A.G. 2011. Synchronization of oestrus and ovulation by short time combined FGA, PGF2 $\alpha$ , GnRH, ECG treatments for natural service or AI fixed-time. Animal Reproduction Science 123, 32-39.
- D'Alessandro A.G., Tesse R., Montagna C., De Leo V., Addante N., Armenio L., Martemucci G.. 2011. Production of donkey milk for human feeding: changes of gross composition and energetic value during lactation. Macedonian Journal of Animal Science 1, 235-237.

- Maiorano G., Kowaliszyn B., D'Alessandro A.G., Martemucci G. 2010. The effect of production system information on consumer expectation and acceptability of Leccese lamb meat. *Annals of Food Science and Technology* 11, 1-5.
- Martemucci G., D'Alessandro A.G. 2010. Estrous and fertility responses of dairy ewes synchronized with combined short term GnRH, PGF<sub>2α</sub> and estradiol benzoate treatments. *Small Ruminant Research* 93, 41-47.
- Jirillo F., Martemucci G., D'Alessandro A.G., Panaro M.A., Cianciulli A., Superbo M., Jirillo E., Magrone T. 2010. Ability of goat milk to modulate healthy human peripheral blood lymphomonocyte and polymorphonuclear cell function: in vitro effects and clinical implications. *Current Pharmaceutical Design* 16(7), 870-876.
- Amati L., Marzulli G., Martelli M., Tafaro A., Jirillo F., Pugliese V., Martemucci G., D'Alessandro A.G., Jirillo E. 2010. Donkey and goat milk intake and modulation of the human aged immune response. *Current Pharmaceutical Design* 16(7), 864-869.
- Casamassima D., Pizzo R., Palazzo M., D'Alessandro A.G., Martemucci G. 2008. Effect of water restriction on productive performance and blood parameters in comisana sheep reared under intensive condition. *Small Ruminant Research* 78, 169-175.
- Tafaro A., Magrone T., Jirillo F., Martemucci G., D'Alessandro A.G., Amati L., Jirillo E. 2007. Immunological properties of donkey's milk: its potential use in the prevention of atherosclerosis. *Current Pharmaceutical Design* 13, 3711-3717.
- D'Alessandro A.G., Martemucci G., Casamassima D. 2007. Behavioural profile during suckling period in Martina Franca breed jennies reared under semi-extensive conditions. *Applied Animal Behaviour Science* 106, 107-124.
- Quaranta A., D'Alessandro A.G., Frate A., Colella G.E., Martemucci G., Casamassima D. 2006. Behavioural response towards twelve feedstuffs in lambs. *Small Ruminant Research* 64, 60-66.
- D'Alessandro A.G., Martemucci G. 2005. Post-thaw survival and acrosome integrity of spermatozoa of Leccese rams frozen in different seasons with milk-egg yolk extender. *Italian Journal of Animal Science* 4, 127-137.
- D'Alessandro A.G., Martemucci G., Taibi L. 2005. How the FSH/LH ratio and dose numbers in the p-FSH administration treatment regimen, and insemination schedule affect superovulatory response in ewes. *Theriogenology* 63, 1764-1774.
- D'Alessandro A.G., Martemucci G. 2004. Efficiency of superovulatory treatment with FSH-p for in vivo embryo production in dairy ewes: multiple versus single dose regimen. *Journal of Animal and Veterinary Advances* 3(6), 388-393.
- D'Alessandro A.G., Martemucci G. 2003. Employ of purified FSH and LH for embryo production, cryopreservation by conventional freezing or vitrification and embryo transfer of embryos in dairy ewes. *Italian Journal of Animal Science* 2, 131-140.
