Notes	
Teaching methods	
Assessment methods (indicate at least the type written, oral, other)	Oral
Evaluation criteria (Explain for each expected learning outcome what a student has to know, or is able to do, and how many levels of achievement there are.	The course aims to provide an overview of the main lines of our “insolvency proceedings” system (primarily represented by Rd 16 March 1942, n. 267), as originated by various reforms, which have significantly changed the philosophy and physiognomy most of the institutions that make up this system, aiming to conform to the needs of the modern

	economy and the acquisitions of contemporary legal consciousness. As part of the training you want to focus also on overcoming the crisis means that the system proposes for each subject operating on the market (enterprise, small, medium and large, great, but also not subject entrepreneur, for example, the worker and the consumer).
