Istituto di Anatomia Umana Normale della Facoltà di Medicina e Chirurgia – Università di Bari (Italy)
- Tutoring Activities for Surgical Pathology and General Surgery students

- 1994 – still now
- Tutoring Activities for the Degree Course in Medicine and Surgery and the Postgraduate Course in General Surgery
 - Postgraduate Theses Supervision in General Surgery
- Facoltà di Medicina e Chirurgia – Università di Bari (Italy)*

Taught subjects in Degree Courses:

- A.Ys. 2002/2004
- "General Surgery 3"
Bachelor of Arts in Nursing – School for Non-Commissioned Officers of Navy (Taranto, Italy)
Art. 12, law 341/90
- A.Y. 2005/2006
- "General Surgery" (2nd semester)
Bachelor's Degree in Medicine and Surgery – Università di Bari (Italy)
Art. 12, law 341/90
- A.Y. 2006/2007
- "General Surgery" (2nd semester)
Bachelor's Degree in Medicine and Surgery – Università di Bari (Italy)
Art.1 comma 10, law 230/2005
- A.Y. 2007/2008
- "General Surgery" (1st semester)
Bachelor of Arts in Nursing – "I.R.C.C.S. De Bellis", Castellana Grotte (Bari, Italy)
Art.1 comma 10, law 230/2005
 - "General Surgery" (2nd semester)
Bachelor's Degree in Medicine and Surgery – Università di Bari (Italy)
Art.1 comma 10, law 230/2005
- A.Y. 2008/2009
- "Emergency Surgery and First Aid" (1st semester)
 - "Minor Surgery" (1st semester)
Bachelor's Degree in Medicine and Surgery – Università di Bari (Italy)
Art.12, law 341/90
 - "General Surgery" (1st semester)
Bachelor of Arts in Nursing – "I.R.C.C.S. De Bellis", Castellana Grotte (Bari, Italy)
Art.12, law 341/90
- A.Y. 2009/2010
- "Emergency Surgery and First Aid"
 - "Minor Surgery" (1st and 2nd semester)
Bachelor's Degree in Medicine and Surgery – Università di Bari (Italy)
Art.1 comma 10, law 230/2005
 - "General Surgery" (1st semester)
Bachelor of Arts in Nursing – "I.R.C.C.S. De Bellis", Castellana Grotte (Bari, Italy)
Art.1 comma 10, law 230/2005
- A.Y. 2010/2011
- "Emergency Surgery and First Aid" (1st semester)
 - "Digestive System Surgery" (2nd semester)
Bachelor's Degree in Medicine and Surgery – Università di Bari (Italy)
Art.1 comma 10, law 230/2005
 - "General Surgery" (1st semester)
Bachelor's Degree in Nutrition – Università di Bari (Italy)
Art.1 comma 10, law 230/2005
- A.Y. 2011/2012
- "Emergency Surgery" (2nd semester)
Bachelor's Degree in Medicine and Surgery – Università di Bari (Italy)
Art.1 comma 10, law 230/2005

- "General Surgery" (1st semester)
Bachelor's Degree in Nutrition – Università di Bari (Italy)
Art.6, law 240/2010

A.Y. 2012/2013

- "Minor Surgery" (2nd semester)
- "Principles of Surgical Semiology" (2nd semester)
Bachelor's Degree in Medicine and Surgery (English Curriculum) – Università di Bari (Italy)
Art.1 comma 10, law 230/2005

- "Emergency Surgery" (2nd semester)
Bachelor's Degree in Medicine and Surgery – Università di Bari (Italy)
Art.1 comma 10, law 230/2005

- "General Surgery" (1st semester)
Bachelor's Degree in Nutrition – Università di Bari (Italy)
Art.6, law 240/2010

Taught subjects in Postgraduate Courses:

- General Surgery I (old system): “Surgical Endoscopy” (3rd year of study)
- General Surgery II (old system): “Surgical Endoscopy” (5th/6th year of study)
- General Surgery (new system): “Instrumental Semiotics” and “Digestive Endoscopy” (1st anno); “General Surgery” (3rd year of study); “Digestive Endoscopy” (4th year of study)

RESEARCH WORK

Author and co-author:

Nr. 122 scientific publications (Italian and English):

- Nr. 78 Abstracts
- Nr. 44 Estenso (nr. 20 relations/lectures – nr. 24 publications on Italian and International Specialized Magazines)

MEDICAL AND SURGICAL WORK

He served in the Emergency Department of the *Ospedale Consorziale Policlinico* (Bari, Italy) as Assistant in the Surgical field from the 10th of August 1987 to the 9th of February 1988. From April 1985 to January 1994, he served at *Case di Cura Riunite srl* (Bari, Italy) holding the title of Assistant Executive Director of the Digestive Endoscopy Service.

On January 24th, 1994 he joined, as a Technical Officer, the Department of 1st Surgical Clinic of the University of Bari, which became then the Department of General and Specialist Surgical Sciences of the same University.

Since June 1st, 2001 he is Research Professor for the sector MED18, being in charge of the Endoscopic and Coloproctologic Surgery, within which he has performed over 20,000 diagnostic and operative endoscopies concerning the study of the upper, bottom and biliary-pancreatic digestive tract, as well as more than 1,000 diagnostic and operative eco-endoscopies. He also takes part in ward and OR activities, both in elective and emergency situations, gaining experience as assistant and first surgeon in middle and high difficulty surgeries.

His scientific work concerned many areas of interest, both clinical and experimental. Among them may be mentioned the following: general and emergency surgery, epatobiliarypancreatic surgery, gastroenterologic surgery, thoracic surgery, geriatric surgery and endocrinologic surgery.

Bari, May 2013
