## VERBALE N. 1 Extract

Evaluation criteria for qualifications (20 points in total as well as art. 5 of the competition announcement):

♦ Master Thesis Diploma mark, maximum 10 points, divided as follows:

| | |
|---|---|
| fino a 100 | 0 punti |
| 101/104 | 4 punti |
| 105/107 | 6 punti |
| 108/110 | 8 punti |
| 110 e lode | 10 punti |

For **graduating** students, the degree mark will be calculated on the weighted average of the marks of all the exams taken on the deadline date of the call settled at 22.07.2024.

In the event that the candidate has several Master Diplomas, the Committee will take into consideration the qualification indicated by the same pertaining to the course for which he/she is applying.

♦ Scientific qualifications, pertaining to the topics covered by the PhD course for which the candidate is applying, up to a maximum of 4 points for scientific publications divided as follows:

- monographs, articles in scientific journals: maximum 2 points for each publication;
- national and international conference proceedings, specific contributions in volumes, etc.: maximum 1 point for each publication.

♦ Academic qualifications and study related to the topics covered by the PhD course for which the candidate is applying, maximum 4 points for:

- I level university master: maximun 1 point for each;
- II level university master: maximun 2 points for each;
- Post-graduate (at least six months): maximun 1 point for each;
- Specialization diploma: maximun 1 point for each.

♦ Documented research activity at qualified Italian and foreign institutes pertaining to the topics covered by the PhD course for which the applicant is applying, maximum 2 points.

Evaluation criteria of the research project:

- knowledge and completeness of the topics;
- methodological rigour;
- clarity and organization of the presentation;
- congruence with the topics of the scholarship (in the case of a bounded topic scholarship) or with the topics of the PhD course (in the case of a scholarship from the University of Bari Aldo Moro).

Concerning the oral exam, which will last a maximum of 10 minutes, the Commission will predetermine immediately before the beginning of the exam, the questions to be asked to the candidates and will also establish that each candidate will be asked a question relating to the PhD Course in question and which also includes the discussion of the project presented by the candidate.

The oral exam will be evaluated on teh basis of the following criteria:

- knowledge of the topics covered by the proposed questions;
- mastery of the topics discussed in the project presented;
- capacity for analysis and synthesis;
- expository clarity.

In order to verify the knowledge of the foreign language, the Committeee decides that each candidate must carry out at least part of the interview in English.

Bari, 31 Luglio 2024

Il Presidente della Commissione: Prof. Nicola Fanizzi
