

Professor name	TATARANO MARCO
Master in	Business Professional Consulting
Academic year	2013-2014
Semester	First
ECTS / CFU	6
Scientific Area Code	IUS/01

Course unit title **Contract law and technique (a.a. 2013/2014)
(Prof. **Tatarano Marco**)**

University of Bari Aldo Moro
Master in Business Professional Consulting

Admission criteria

The course requires knowledge of fundamental elements of the contrac.

Aims of the course

The class, theoretical and practical at the same time, intends to give students technical and legal instruments useful to analyze laws, judgments and author's interpretations about contracts, and also to draw up contracts.

Course content

Then the class is articulated in two sections: an introductory one, based on the study of civil law about contracts in general, paying specific attention to their closing, effects and pathologies, and a special one, where single contracts shall be examined.

Compulsory reading – study material

P. PERLINGIERI, *Autonomia negoziale e autonomia contrattuale*, Napoli, 2000
