

CALL FOR PAPERS FOR THE 11th INTERNATIONAL CONFERENCE ON

***ECONOMICS OF GLOBAL INTERACTIONS:
NEW PERSPECTIVES ON TRADE, FACTOR MOBILITY AND DEVELOPMENT***
Bari, Italy, 13-14 September 2021

The University of Bari is hosting the 11th edition of the conference on the Economics of Global Interactions. The conference is co-organized with the Centre for Experimental Research on Fairness, Inequality, and Rationality (FAIR) at NHH Norwegian School of Economics (Bergen, Norway) and Master E.G.E.I. (www.master-egei.eu).

The event will provide scholars with the opportunity to discuss their recent contributions in the following areas:

- Theoretical and empirical aspects of international trade;
- Determinants and effects of international migration and FDI;
- Institutions and economic development;
- Globalization, sustainability and climatic change;
- Experimental methods and development;
- Industrial policy in developing countries;

Both theoretical and empirical papers are welcome. *A discussant will be assigned to each paper presented at the conference.* We plan to have a physical conference or at least we will try to minimize the 'virtual' component. The final decision on the organization of the event will depend on the evolution of the Covid pandemic.

Keynote Speakers:

Prof. Tessa Bold (IIES- Stockholm, Sweden)

Prof. Mariapia Mendola (Bicocca University, Italy)

Prof. Luigi Pascali (Universitat Pompeu Fabra, Spain)
