# WELCOME

---

Dear Participants,

It is a pleasure for me to welcome you all to the Italian National Rounds of the 2020 Philip C. Jessup International Law Moot Court Competition.

The Jessup Competition is the largest, oldest, and most prestigious international law moot court competition in the world. By participating to the competition, you are joining thousands of law students which over the last 61 years enhanced their knowledge of international law, professional and interpersonal skills, and became better lawyers by joining the largest community of international law students in the world.

In 2020, 9 universities will compete in the Italian Championship. While this is not an absolute record, this will be one of the largest Italian National Rounds ever, and making the Italian competition even more challenging. This is the moment for you to confront the other teams in a competition in which you will present complex legal issues, demonstrate your advocacy skills and give your best to prove you deserve advancing to the International Rounds. This is a remarkable milestone in your studies, which we hope will be at the basis of a brilliant and successful career.

As important, we hope you will take the chance to strengthen the relationship with your teammates, and build new friendships with students from other universities.

Live up to the Spirit of the Jessup - comradeship, academic excellence, competitiveness, and appreciation of fellow competitors. And do not forget to have fun in the meantime!

Agnese Pizzolla

*National Administrator for Italy*

Following admission to the Bar and the attainment of a Master's degree (an LL.M.) at an English speaking university, the majority of trainees become associates of the firm.
