Visiting Scholarships, Fellowships and awards

2011 I was visiting Scholar at the Marburg University for the project “Digitaler Atlas” coordinated by Prof. Peter Haslinger (Herder Institut und University of Giessen) <http://www.herder-institut.de/startseite/projekte/laufende/digitaler-atlas-politischer-raumbilder-zu-ostmitteleuropa-im-20-jahrhundert.html>

2011 I was awarded a DAAD grant in order to continue her research on geopolitics in the Weimar Republic at the university of Cologne.

2008 I received a grant from the Leibniz Institut fuer Laenderkunde in Lipsia (duration one month: August) to carry out a study of Ratzel’s Archives.

2008 I was awarded a DAAD grant in order to carry out a research at the University of Cologne (Historisches Seminar 2, duration 2 months January and February) in order to study “The Construction of Mitteleuropa in Geopolitical Thought Between the Two World Wars”. The results were published in an essay (2008) on Historische Mitteilungen: Die neue Raumordnung: Krise und Aufloesung des Nationalstaates im Austausch zwischen Geopolitik und konservativer Revolution”.

From 2001 till 2002 I was a Jean Monnet Fellow at the European University Institute doing research on populism. The results were published in “Das Europa der Antieuropaeer. Ein Vergleich von Lega Nord und FPÄ–”, Working Paper, European University Institute, Florence, SPS 2, 2002.

2000 I was awarded a grant from the Istituto Trentino di Cultura ISG on a project on the political vision of the historian Delio Cantimori. The results were published in: “Rivoluzione conservatrice ed europeismo: riflessione su alcuni scritti e appunti giovanili di Delio Cantimori”, in Annali dell’Istituto storico italo germanico di Trento, XXVII, Il Mulino, Bologna, 2002. 155- 184.

In 2000 I was awarded a grant from the Deutsche Forschungsgemeinschaft in order to publish her PDH “Von der Avantgarde zur Traditionalismus (Camus Verlag 2002).

In 1995-6 I was awarded two Grants from the Istituto per gli studi filosofici (Neaples).

In 1990 I was awarded a grant from the CNR-NATO for the project on the political Avantgarde in Italian fascism. The results have been published in: “Von der Avantgarde zur Tradition.” Campus 2002.

Projects

2019-2021 international research project on “ordini del potere: lamricezione politica e geopolitica della teoria spaziale nei lavori di F.- Ratzel” with U. Jureit (Institut sozialfosching) and O. Orain (CNRS) promoted by Centre national de recherche scientifique (France) and Deutsche Forschungsgemeinschaft (Germany)

2011 research project on “the geopolitics in the Weimar Republic” promoted by the university of Cologne (see grants). Results pèublished in the book “Il pensiero geopolitico” (Carocci 2014)

2008 research project at the Leibniz Institut fuer Laenderkunde in Lipsia on Friedrich Ratzel.

2008 research project at the University of Cologne (Historisches Seminar 2 on “The Construction of Mitteleuropa in Geopolitical Thought Between the Two World Wars”.The results were published in an essay (2008) on Historische Muiteilungen: Die neue Raumordnung: Krise und Aufloesung des Nationalstaates im Austausch zwischen Geopolitik und konservativer Revolution”.

2009-2016 I participate to the Project “Digitaler Atlas politischer Raumbilder Zu Ostmitteleuropa im 20. Jahrhundert” DAPRO (supported by the Leibniz Institut Gemeinschaft and Herder Institut), coordinated by Prof. Peter Haslinger. This project includes the Georg-Eckert-Insitut in Braunschweig, The Leibniz Institute in Lipsia, the Herder Institute in Marburg, the Institut Für Wissenmedien in Tübingen and promotes the international research of a network of Scholars from Italz, France (CNRS) and Eastern Europe.

2006-2008 I directed with Bo Strath at the European University Institute the work group on “Mitteleuropa: some opening reflections on a concept” .

2003-2007 I directed with Ottavio Marzocca at the University of Bari a work group with colleagues from other departments and PHD students on Bio-politics. This group was supported by the University of Bari and its research results were collected in the book “Lessico biopolitico”, that was also translated into French.

2002-2009 I have led the group of the University of Bari for the Socrates Programme of Gender Studies “Athena” 2, 3 and 4. The Athena Programme has recently won the Erasmus Prize (as Athena 3).

2002-2007 I have coordinated the research group that worked on the compilation of German section of the “Dizionario dell'integrazione europea” at LUISS University (Rome) under the direction of P. Craveri, G. Quagliariello (publication in 2012).

2000-2001Idirected the project imageuro (University of Saarbruecken and nUniversity of Bologna) about the comparison of the national legislations about the immigration in Europe.
