The background image shows a waterfront scene. On the left, there is a large, ornate, light-colored building with a prominent dome and classical architectural features. The building is situated on a waterfront. In the foreground and middle ground, there are several small blue boats, some docked at a wooden pier and others in the water. The water is calm, and the sky is filled with soft, white clouds. Several birds are seen flying in the sky. The overall atmosphere is serene and picturesque.
