DOCUMENTS NEEDED TO LIVE IN ITALY

If you want to live in Italy you will need some essential documents to register and declare your presence in the country. Below is a summary of the main documents required.

THE TAX CODE

Once you are in Italy, the first thing you will need to do is to request a tax code. The Tax Code is an alphanumeric string of characters and it represents an identification tool of citizens for public bodies and administrations. It is essential for several procedures, such as completing registration, opening a bank account, requesting a health card or signing a rental contract. The request of a tax code for students, international teachers and non-resident guests can be made personally or by proxy at the Revenue Agency offices using the dedicated online form AA4-8 at this link: https://www.agenziaentrate.gov.it/portale/web/guest/schede/istanze/richiesta-ts_cf/modello-e-istruzioni-cf-aa4_8

In addition to the application form, completed and signed, you must submit the following documents:

- **for Italian or European Union citizens:**
 - the applicant's identity document
- **for Extra-EU citizens:**
 - A valid passport, equipped with an entry visa of not earlier than 90 days
 - or, a valid residence permit, or the receipt of the request with photo; if the residence permit has expired, but its renewal has been requested prior to 30 days from the expiry, it is also necessary to present the relative payment receipts (postal order)
 - or, certificate of identity with photo of the applicant, issued by the diplomatic or consular representation in Italy or the country of origin.

HEALTH COVERAGE

If you are a citizen of the European Union in possession of a valid European Health Insurance Card (EHIC) of the country of origin, you can receive all the necessary medical health insurance services, such as occasional visits by General Practitioners, as well as Specialist Services, or access to the emergency room and hospitalization.

If you are a citizen in possession of a S1 form issued by your country of origin, you can register with the National Health System and select a doctor for the duration indicated in the form.

If you are a citizen with registered residence in Italy for at least 5 years, you can request a "Certificate of Permanent Stay" from your municipality of residence which entitles you to enroll in the National Health Service (NHS) with the possibility of selecting a permanent medical doctor

In the absence of one of the three documents indicated above, you can purchase a private health insurance for the duration of the course of study. The insurance does not imply the enrollment in the NHS and does not allow the selection of a medical doctor.

ATTENTION: In case of an injury, private health policies usually require the student to pay the occurring sanitary expenses in advance and then to request reimbursement from the insurance company. When you subscribe the policy, please check carefully procedures and conditions of refunds. Remember that the health expenses to be anticipated could be very high, for example in case of hospitalization.

HOW TO REGISTER FOR NATIONAL HEALTH SERVICE

Voluntary registration entitles you to have access to the National Health Service, to the selection of a medical doctor and to all services guaranteed to Italian citizens.

1) The registration has an annual duration according to the calendar year, so it expires on December 31 and has a flat rate of € 700.00.

Important:

- **It is NOT possible to pay reduced fees for shorter periods.**

2) It allows you to register for the current year and also for the entire following calendar year. This possibility allows you to have health coverage for an academic year and is useful for students who arrive, for example, in September and intend to apply for a residence study permit valid for one year.

What to do if you don't have a Bank account:

- Go to any of the several offices of Banca Popolare di Bari, fill out the forms and make a payment by entering the Iban **IT 57X0542404297000000000202** – Treasury ASL Bari, with the Bank transfer description: VOLUNTARY REGISTRATION S.S.N. for the year _____
- Pay the annual fee of €700.00 for each year of registration with the NHS and keep the payment receipts;

 2. The postal receipt for mailing the application kit of the residence permit (or the residence permit if already obtained)
 3. Your passport or identity document
 4. The certificate of enrollment at University.

At the CUP you will be asked to choose a primary care medical doctor and your health coverage will be activated. Always check the end of coverage date.
